

Reinin' In The Sun

May 20, 2011

The Reinin' In the Sun Show Committee invites all Reining and Working Cow Horse enthusiasts to attend their 5th Annual Performance extravaganza, featuring the some of the finest Equine Athletes in Western Canada.

Two triple carded Judges, both hailing from the state of Texas, will score the three-day event, which boasts approvals from the NRHA (National Reining Horse Assn), NRCHA (National Reined Cowhorse Assn) and AQHA (American Quarter Horse Assn.).

In past years, exhibitors have travelled from the three Western Canadian provinces, as well as Washington state, to vie for a piece of more than \$30,000 in cash and prizes, and with increased purse money, a greater number of Bronze trophies and even more Custom designed buckles, 2011 should prove to be no exception.

Exhibitors will find the Welcome Mat has been rolled out as they haul in on Thursday, arriving to pre-bedded stalls, cool drinks at the Oasis, and tasty Brats N Beer, compliments of our long time sponsor Diana Raffan of Diana's Monogramming, now with stores in Armstrong and Vernon.

New this year on Friday night will be a Beer Garden, complete with taste-tempting morsels to enjoy while watching the exciting Working Cowhorse classes.

Sunday will feature the final leg of the BCRA Reining Saddle Series, and the presentation of four trophy saddles to lucky and talented horse/rider combinations that have proven their merit over the past year in these specific classes.
